|            |                                |            |                       |
|------------|--------------------------------|------------|-----------------------|
| Motor      | 130W Brushless DC, 100,000 RPM | Runtime    | 15–25 min continuous  |
| Wind Speed | ≈ 50 m/s (180 km/h)            | Protection | IP20, temp protection |
| Battery    | Li-Ion 7.4V / 4000mAh          | Weight     | ≈ 520 g               |
| Charging   | USB-C 5V/2A, ≈ 4 hours         | Dimensions | Compact handheld      |

CE   RoHS   UN 38.3

### Included Accessories

|              |                |                 |                             |               |             |
|--------------|----------------|-----------------|-----------------------------|---------------|-------------|
| Brush Nozzle | Pointed Nozzle | Standard Nozzle | Bayonet Nozzle (inflatable) | Storage Pouch | USB-C Cable |
|--------------|----------------|-----------------|-----------------------------|---------------|-------------|

#### Why Our Turbo Fan?

| Feature    | Turbo Fan V1/1225     | Typical Competitor |
|------------|-----------------------|--------------------|
| Motor      | 130W Brushless DC     | 80–100W Brushed    |
| Wind Speed | ≈ 50 m/s              | 30–40 m/s          |
| Nozzles    | 4 interchangeable     | 2–3 fixed          |
| Battery    | 4000mAh Li-Ion, USB-C | 2000–3000mAh       |
| Weight     | ≈ 520 g               | 600–800 g          |

## Versatile Applications

**Auto Detailing**  
Blow-dry after wash, clean vents, interior dust

**Home Cleaning**  
Keyboards, electronics, hard-to-reach corners

**Outdoor & Camping**  
Inflate air mattresses, start campfires, cool down

**Workshop**  
Blow sawdust, clean tools, dry surfaces

## Nozzle Guide

| Nozzle          | Best For                                   |
|-----------------|--------------------------------------------|
| Brush Nozzle    | Delicate surfaces, electronics, keyboards  |
| Pointed Nozzle  | Concentrated airflow, tight spaces, vents  |
| Standard Nozzle | Everyday cleaning, general purpose         |
| Bayonet Nozzle  | Inflating air mattresses, pool toys, rafts |

## Target Buyer Personas

**Auto Parts Distributors**  
Car care, detailing shops, auto accessories retail chains

**Electronics & Gadgets**  
Consumer electronics, gadget stores, online marketplaces

**Camping & Outdoor**  
Camping gear, outdoor equipment, sports retailers
